

SOLAR SOLUTIONS STANDARD HOMES

Solar Solutions Standard Homes was designed to give good quality energy efficient house plans at a very economical price. Each of these plans are featured in our planbooks and will suit a variety of different sites & lifestyles. Each plan can be altered to better suit your needs at a small cost. Once confirming the plan you want, you can take a closer look through a study set and then you can purchase a full set of construction drawings and a license to build the home.

Solar Solutions can organise a site plan optimising the plan to work with your site in the best way possible, we can also organise a range of quality products at better than trade rates. These products include windows, building materials, landscaping materials, claddings, kitchen products and ventilation systems.
